

SUPPLY CHAIN

ARTIFICIAL INTELLIGENCE CONFERENCE

Sept. 16-17, 2026 | 100% Virtual

OFFICIAL AGENDA

Event will take place in Houston, TX, USA (GMT-5) time zone.

Day 1

Wednesday, 16 Sept. 2026

● Sponsored Sessions ● Booked Sessions ● Available Session

09:15 – 09:30 | Welcome Address & Conference Overview

09:30 – 10:00 | Available Session

10:00 – 10:30 | Available Session

10:30 – 11:00 | Available Session

11:00 – 11:30 | Available Session

11:30 – 12:00 | Available Session

12:00 – 13:00 | LUNCH NETWORKING BREAK [1 Hour]

13:00 – 13:30

AI-Driven End-to-End Supply Chain Planning & Forecasting

* Applying AI to demand sensing and forecasting across volatile markets.
* Balancing inventory across multi-echelon and global supply networks.
* Enabling real-time, data-driven planning for resilient supply chains.

Michael Turner
Director of Global Supply Chain Operations
Midwest Logistics & Distribution Corp.

13:30 – 14:00

AI-Powered Logistics & Transportation Optimization

* Intelligent route optimization, dispatching, and ETA prediction.
* Reducing freight costs, empty miles, and delivery delays using AI.
* Scaling AI-enabled fleet and carrier management platforms.

Jonathan Reed
Senior Procurement Manager
UnionPort Logistics Services

14:00 – 14:30

Procurement Intelligence & Supplier Risk Management with AI

* AI-driven supplier performance monitoring and risk detection.
* Automating contract intelligence and sourcing decisions.
* Strengthening procurement resilience amid global disruptions.

Daniel Brooks
Logistics & Distribution Lead
American Freight Works Inc.

14:30 – 15:00 | NETWORKING BREAK [30 Minutes]

15:00 – 15:30

Sustainability, Carbon Intelligence & ESG Reporting in Supply Chains

* Modeling Scope 1, 2, and 3 emissions using AI.
* Optimizing transportation and energy usage to meet net-zero targets.
* Building transparent, auditable ESG reporting frameworks.

Emily Dawson
Vice President, Supply Chain Strategy
Atlantic West Supply Chain Partners

15:30 – 16:00

16:00 – 16:30 | Day 1 Closing Remarks

OFFICIAL AGENDA

Event will take place in Houston, TX, USA (GMT-5) time zone.

Day 2

Thursday, 17 Sept. 2026

● Sponsored Sessions ● Booked Sessions ● Available Session

09:30 – 10:00 | Available Session

10:00 – 10:30 | Available Session

10:30 – 11:00 | Available Session

11:00 – 11:30 | Available Session

11:30 – 12:00 | Available Session

12:00 – 13:00 | LUNCH NETWORKING BREAK [1 Hour]

13:00 – 13:30
Digital Twin Supply Chains & Predictive Simulation

* Creating AI-powered digital replicas of end-to-end supply networks.
* Simulating disruptions, demand shocks, and capacity constraints.
* Using predictive insights to improve operational decision-making.

Olivia Harper
Senior Manager, Procurement & Contracting
American Cargo Network (ACN)

13:30 – 14:00
Real-Time Visibility & AI Control Towers

* Integrating logistics, inventory, supplier, and production data.
* AI-driven alerts and predictive exception management.
* Enabling proactive and autonomous supply chain control.

Christopher Hayes
Supply Chain Planning Manager
EY Supply Chain Consulting

14:00 – 14:30
Warehouse Automation, Robotics & AI Vision Systems

* Autonomous robotics, AI vision, and smart picking technologies.
* Improving warehouse throughput, accuracy, and labor productivity.
* Scaling automation across regional and global fulfillment centers.

Marcus Thompson
Global Logistics Operations Lead
Amazon Supply Chain

14:30 – 15:00
Manufacturing, Production AI & Predictive Maintenance

* AI-driven predictive maintenance for manufacturing operations.
* Real-time quality monitoring and intelligent automation.
* Enhancing production reliability and asset performance.

Victoria Chen
Director, Digital Supply Chain Innovation
IBM Supply Chain Intelligence

15:00 – 15:30
AI Governance, Cybersecurity & Workforce Transformation

* Building secure and responsible AI frameworks for connected supply chains.
* Protecting digital logistics networks from cyber threats.
* Preparing the workforce for AI adoption and human–machine collaboration.

Hannah Douglas
Senior Logistics Strategy Analyst
SAP Digital Supply Chain

15:30 – 16:00 | Available Session

16:00 – 16:30 | Day 2 Closing Remarks
